

Job Name: _____

Job Location: _____

Contractor: _____

Engineer: _____

Approval: _____

Water Filtration Products

Design Features:

- Polypropylene Construction
- 5 Micron Filters
- Imported

Operating Specifications:

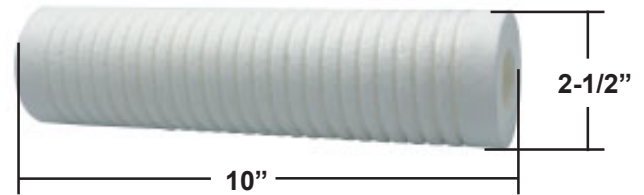

Flow Rate: 8GPM **Max Temperature:** 170°F

Use: Protects against rust, sediment and silt.

0590002
Nylon-Wound

0590004
Poly-Groove

Material Specifications	
Part	Material
Filter	Polypropylene

W-R#	Description	Weight	Min	Box
0590002	Nylon-Wound	.535 lbs.	1	12
0590004	Poly-Groove	.315 lbs.	1	12
