

Job Name: _____

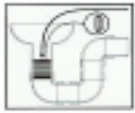

Job Location: _____

Contractor: _____

Engineer: _____

Approval: _____

Inflatable Test Plugs

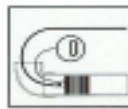

Floor Drain

Roof Vent

Municipal Storm Drain

Closet Bend

Test Tee

Sanitary Tee

Design Features:

- Can Conform to Irregular Pipe Sizes
- 3 Year Warranty
- Domestic

Operating Specifications:

Max Back Pressure:

Water Head: 30' Air: 13 psig

Use: For testing pipelines or to temporarily stop flow. Can be used in a variety of fitting applications and are suitable for most pipe materials.
